

Love/Hate

You're the cherry on my sundae
The ketchup on my chips
The jelly in my trifle
The giftshop on my trips
The olives on my pizza
The PJs for my cat
The cheese on my spaghetti
The bobble on my hat
The bubbles in my bath tub
The blackbird in my pie
The fourth leaf on my clover
The apple of my eye.

You're the spider in my bathtub
The stone that's in my shoe
The maggot in my apple
The mushroom in my stew
The homework at the weekend
The dog poo at the park
The plastic in my ocean
The Lego in the dark
The filling at the dentist
The hiccups that won't stop
The long queue for the toilet
The weasel in my pop
