

A Good Influence

Susan Elizabeth Jennifer Hardy
is coming to my birthday party.

She's everything a girl should be;
that's why mum asked her round to tea.

She's always dressed well for a start,
always clean, always smart.

She always comes out top in class,
there's no exam that she won't pass.

She's Captain of the football team.
Be like her? Well, a girl can dream!

I've no doubt she'll win every game,
I wouldn't have asked her, just the same.

Mum wrote the invites in the end.
Where's Elsie Smith? She's my best friend!
