

## **Baby Orangutan**

Poor baby orangutan from Sumatra  
sold over the internet  
and posted in a package  
with a stamp to Taiwan.

Cramped in a cardboard box  
with an upset stomach  
and runny eyes,  
tossed and shaken  
on board a lorry.

Shoved in between cargo  
on a jumbo jet.  
All he wants is his  
mango and durian fruit,  
to swing all day  
in the wild rainforests  
of Sumatra.

A little girl holds up a banner,  
*stop the pet trade*  
but she's pushed to the ground  
by the angry mob,  
*take your hands off me*  
*right now* she scowls,  
*I'll do this again and again*  
*for the little orange creature*  
*of the forest.*
