

Here Comes Spring

Slithery, withery Winter's away!
Here come dawning, yawny Spring sunrays,
rooty, shooty, tooty daffodils bright,
buttery, fluttery butterflies light,
swirly, whirly, twirly blossom pink,
squiggly, wiggly, wriggly tadpole ink,
tinkly, twinkly bobbing bluebell seas,
sky-stretchy, twig-sketchy waking trees,
dancy, prancy silky catkin tails,
weepy, sweepy golden pollen veils,
hoopy, swoopy swift swallow rides,
swervy, curvy woodpecker glides,
stirry, whirry hummingbird hawkmoth wings,
whizzy, tizzy caterpillar circus swings,
hip-happy, flip-flappy fledgling flights,
twittery, flittery silver song twilights,
buzzy, fuzzy humble bumblebees
and a springy and singy newborn me.
