

MISSING CAT!

PLEASE LOOK OUT FOR 'PUSS'
He's not been home all weekend!

Tabby, male, four and a half
(Often gives a mocking laugh)

Knows his name – will come when suits
(Favours stack-heel knee-high boots)

Wears red collar with a jewel
(Really deadly in a duel)

Thunder/lightning make him stressed
(Likely off on secret quest)

Please check sheds – he may be trapped
(Ha! He's far too wise for that)

REWARD OFFERED
